ABOUT US

Turgiene Group specializes in manufacturing, importing, and distributing superior hygiene, cosmetics, baby care, and health care products. Our objective is to constantly explore innovative products to ensure personal hygiene is invigorating and refreshing.

We place great importance on sustainability and prioritize the use of natural ingredients. Our products proudly embody several key qualities. They are vegan, and, most significantly, they have never been subjected to animal testing.

Our distribution channels include direct sales to distributors, wholesalers, pharmacies, mass market retailers, discount stores, and local establishments.

We proudly export our products to more than 80 countries worldwide from Turkiye, with a particular focus on the USA, Canada, the Caribbean, and Latin America, through our distribution center in New York.
